Subject: Management Meeting Friday.

Mike,

A Tribal/EPA managers meeting on Friday, 6/23/2017 will not work out for Dee Allen and I. It is a pretty busy day for both of us.

This morning when you called, you indicated that this would be a pre-meeting between EPA and the Tribal representatives before having a meeting with WDNR management. This pre-meeting would include, Sherry, Anthony, Dee, yourself and I. I failed to ask or I did not hear what is the purpose of the meeting and what are the discussion points? Can you, please provide me with that information.

Also, has an EPA/State/Tribal management meeting been scheduled? I am not aware of one. What would be the purpose of that meeting?

Thanks

Larry
